ATION SECRETARY

Respected Sir,

I am very much grieved to understand that orders have been passed to the effect that I should seek a fresh appointment in any other department except the Education Department. I beg to say that I entered this teachers profession in 1943, well equipped in English language and literature with a spirit of service and sacrifice I pursued my post-graduate studies in English literature and specialised in the same I am well settled down to this noble profession to which I was bred I have proved myself an efficient and an able teacher as recommended by the Director of Public Instruction, the Deputy Commissioner and the Head Master in their letters to the Government for my reinstatement and tranfer to Govt High School

It is already one and a half years Since I ceased to work and earn my livelihood I have undergone terrible hardships and mental worry as a result of my removal from Service in

the Education Department I most respectfully submit that I am an inexperienced young man and that if I went astray in a weak moment and committed the error in my work as a teacher I therefore, humbly pray that, in consideration of my young age with a long future before me, inexperience and my suitability for the profession which holds an interesting and an happy future for me, you may be pleased to reinstate and transfer me to Government High School, giving me a chance to prove worthy of your mercy and consideration and thereby enable me to continue to render my humble Service to the Education Department

I beg to remain,
Sir,
Your most obedient
Servant,
S H. Rama Gowda.
